Good morning Nadeem,

I cannot guarantee we can ship today, we are having issues with the R-44V. Also, since your cancellation yesterday a customer has bought some T-7 sensors.

I will reply to you when I receive an update from the warehouse.

Thank you for your patience.

Kind regards

Kate Griffiths

Viamed is now enacting hybrid working to allow sales and admin staff to work remotely and in the office. Telephone calls to the main office will be answered, but please continue to use email where possible.
