Hello

Good afternoon

Thank you for your order, 000390.

I am currently processing this but need to make you aware the product you are after(4310001) has been superseded by 4310007, This is exactly compatible with the 4310001 just the Blueprint version.

The price is the exact same as the 4310001.

Please let me know if I should proceed with the alternative.

Kind regards
