Dear Kate,

I'm sorry, but....I thought that the price of the sensors will remain the same for me, since with a price of almost \$35.00 per piece (the cost of the sensor according to your invoice + transport delivery to me in Kyiv + import tax, which I will pay at the arrival of a parcel with sensors from you), - it's not at all profitable for me to buy them, since I can buy them cheaper in Kyiv.

Therefore, ... this invoice, unfortunately, I will not pay and you will cancel it.
