Good morning Sudath,

Thank you for your email.

The price of part number 0111276 - oxygen monitor MySign O is £277.60 each EXW.

The following is the information I can see about the charger (charger is **included when you buy** the MySign O Oxygen Monitor **Kit**):

Charger	Protection Class II, Input: AC 110V - 230V / 50 - 60 Hz, Output: DC 1.5 A
Charge time	Approximately 4 hours

I have attached the leaflet. If this does not answer your question about the charger, I can ask Ryan Swaine. Please also see attached price list.

I will create your proforma very soon and email it to you separately.

Many thanks.

Kind regards

Kate Griffiths
