Hi Aqib

Thank you very much.

I actually wanted to order 1 unit for myself to use as sample, so can you please change qty from 21 to 22 for both items.

Sorry for the inconvenience.

I asked Ryan , but did not get a reply yet.

What is ETA for this order if I make payment in next couple of days.

Stay Safe

Hi

Was not sure to whom I should send revised PO that now include the O2 monitors.

Please see attached.

Please send PI when ready.

The client wants to start the clinical trials on 2 May, so I would like to have received the stock by 24 April.

If I make payment next week, what will ETA be.

Thanks.

Hello Greg

Good afternoon

Thank you for your patience.

Please see below for your attached proforma invoice detailing the prices and products you require including shipping costs.

I do need to advise you though we do have a 2-3 week lead time for product 0212009.

Please could you confirm if all details on that are correct?

If you are happy with this and would like to go ahead with it, could you please make payment for the proforma amount?

Only when the money is visible in our bank we will convert this to an order and get it ready for dispatch.

Please let me know if I can assist with anything else.

Kind regards
