Hi Christopher

We don't have any regular business with a road transport company for palletised goods, as most of our products are small and can be transported with UPS. I can ask our warehouse to look into this for you if you wish, but I would

guess we are in the same situation as you?

Hi Ryan,

I just learned all of our forwarders demand lots of paperwork, declarations and export broker contacts for the shipment from UK.

Since we are already your customer and you sent shipments to us – is it possible, that we make it more easy and you do the shipment of this goods from your side to our facility?

You can charge us all costs incl. shipment, export declaration, paperwork etc.

Do you think this is possible?

Hope this letter is OK now. Can you ship this order to Dehas or I need to ask them to pay you for delivery from Viamed to Dehas?

If they need to pay please send me revised PO CIP-Dehas with clear delivery cost. Not express delivery, some standard delivery cost.

But please ship COMPLETE order of 50 hoods very soon as pressure from customer became very serious now.

Best regards, Ilia

Dear Ryan,

Hope you are fine !

Herewith we confirm the shipment of the oxygen hoods to a Country outside the EU.

The Oxygen Hoods will be shipped from DEHAS to Kazakhstan.

So first delivery Address will be DEHAS Medical Systems / Germany - we do the further shipment in a project further on outside EU !

Do you need any Export documents after shipping as proof or is it good enough to confirm by this mail ?

Hi Ilia

We received the payment and the hoods are in production.

Regarding delivery address, Belorussia seems to be a problem, there are sanctions and licences required.
