Dear Atelier

Thank you very much for your email.

We would be happy to supply you directly at our trade pricing. Please find our trade and retail price lists attached, I have also attached some product information.

Please can you provide me with your invoice/delivery address, company VAT number and the contact information for the persons responsible for accounts, purchasing and ownership of the company?

You can place an order whenever you are ready, we do not impose any minimum order quantities, we would only ask that your initial orders are prepaid by either bank transfer or credit card.

I look forward to hearing from you and please never hesitate to contact me if you have any questions.

Kind regards

Ryan

Hello

we are dive shop in Paris (France).

Is it possible to order directly to your cie ? Or do you have a distributor in France ?

We are interested by O2 Analyser (VN202 mkII Oxygen Analyser) and eventually by O2 cells.

Do you have a professional rate ?

Thank you very much for your answer.

Best regards
