Dear Sophie,

For all of the pulseoximeters ordered we need the SpO2 adult sensor (0014752) as standard.

The other pediatric sensors are ordered separately (0014753).

Good afternoon,

Thank you for your order. Please can you confirm whether you would like the 30 x 0014753 as the sensor included with the VM-2160, or if this is separate and you would like the VM-2160 to come with a different sensor?

These are the sensors which can be included:

Silicone SpO2 sensor - adult 0014752

or

Silicone SpO2 sensor - Medium (small adult) 0014754

or

Silicone SpO2 sensor - paediatric 0014753

or

Silicone wrap sensor 0014851

or

Ear sensor 0014850

or

Finger SpO2 sensor (hard shell) 0014651

Kind regards

Sophie Lines
