Hi Aqib, I have sent you an email from Estron. Please can you send him a proforma invoice

12:49

Should I remove the 22 clamps and 22 monitors off his other proforma then?

Hi Ryan

As the 18 monitors and clamps are in stock now and urgent to get it here before the trial starts, we will have to do 2 shipments. So can you please send a new PO for only the 18 Midspan 112 monitors and 18 clamps.

See attached PO.

We will send revised PO for temp probes too.

So it will be for 1 payment for both proforma's, but 2 shipments. Unless you can ship the temp probes at the same time.

Please keep the 18 monitors and clamps for me. Just waiting on the client to pay and will in return make your payment.

Many thanks

Kind Regards / 'vriendelijke Groet
