Hi Pamela,

Yes we could offer the following express shipping options:

- UPS Express (delivery by 10.30am) @ **£12.23**
- UPS Express Saver (delivery by 12pm) @ **£8.69**

However this order would not be able to ship today unfortunately as it is now past our cut-off time of 2pm, and we would also require payment prior to dispatch. If you are able to send payment now, we could ship tomorrow for delivery early on Friday morning if that helps.

Kind regards

Sophie Lines

Please note: My working days are Monday, Tuesday and Friday

Viamed is now enacting hybrid working to allow sales and admin staff to work remotely and in the office. Telephone calls to the main office will be answered, but please continue to use email where possible.

Hi Sophie

Thanks for this, is there like a next day AM carriage or express courier charge you could offer?

Dear Pamela,

Thank you for your inquiry. Please find attached a Proforma invoice for 2x 0110057 (Teledyne Oxygen Sensor T-7) as requested. We have these available in stock for immediate dispatch upon receipt of payment.

If any changes to the details are required please let me know and I will make the necessary amendments.

Kind regards

Sophie Lines
