Hi Kate,

Thanks for sending this through.

Would it be possible to get this quote in a PDF format as I'll need to attach it to our ordering system when putting it through for approval.

Thanks,

Dan.

Good afternoon Daniel,

Please accept my reply on behalf of Steve.

The price breaks for part number 0110560 - Oxygen sensor OOM111 are as follows:

1 = £ 72.00	2 = £ 68.40 each	3 - 10 = £ 64.80 each	11 or more = £ 61.20 each
-------------	------------------	-----------------------	---------------------------

Carriage is free for medical oxygen sensors and all prices are excluding VAT,

There would be an approximate lead time of 5-6 weeks.

Many thanks.

Kind regards

Kate Griffiths

Hi Dan,

I've searched on the serial number and it's not one that Viamed supplied, but that's not a problem, we can still support it.
