20/Mar/2023 Sophie Lines

From Michael Goddard: I work in Clinical Engineering at Addenbrookes Hospital in Cambridge, and we have a V1000 foetal heart simulator (serial number PR049A241410000) which we would like to return to you for service and certificate of calibration for Â£45. Could you provide a returns reference number please?

SL: I have advised the SRS number and also asked him to clarify serial number as that is not bringing any result up on the system.

23/Mar/2023 Robert Connor

Received 1 x V1000 s/n PR0490A24, with grey silicone cover and 4 x AA battery.
