Before shipping on credit account, please check with Helen whether their account is now clear. To remain within their £6k credit limit, we can ship 12 units on account, with just 3 that will need to be paid on proforma (unless Helen/Steve willing to raise credit to £7.2k). Please raise a proforma when goods come in and check with me before sending. SJH

(Note above was cut off as i used hash symbols! - repeated below): Please can we now split this into an order for 12 units on credit (priority 8), and a separate proforma for 3 units. For carriage, please set it as CPT on just the proforma, no insurance on either at this stage. Put a note on both the order and proforma to state "If they pay the proforma (ref xxxx) in full, both orders can ship together, providing their account is clear".
