Hi, please can someone put a quotation together for the following items.

The part numbers are all in the system, in some cases we have used the Maxtec part number but the first column is what is listed in Intrastats.

Viamed Part No	Maxtec Part No:	Description	Quantity
0440411	R211P30-001	FLOW VALVE	10
0330412	R211P30-002	O2 VALVE 0-60 LPM	10
RP15P09	RP15P09	O2 VALVE 0-120 LPM	10
0110429	R125P03-002	OXYGEN SENSOR - MAX-250E	5
P56P02-901	RP56P02-901	FLOW & O2 VALVE O`RINGS	10

If you send it back to me when checked, I will forward it on to the customer. We don't have stock as yet but we will order once he places the order with us.

Thanks,
Steve H
