Good afternoon Anna,

I hope you are well.

Just a quick email to follow up the one sent by my colleague Sophie Lines.

Please could you let me know if you require insurance of €11.50 adding to this order, or if this is not something you require?

If so, would that be the case for all future orders?

Many thanks.

Kind regards

Kate Griffiths

Dear Anna,

Thank you for your order. I can confirm we have stock, so your order will be ready for dispatch within 1-2 working days.

Please be aware, we have recently updated our insurance policy and procedure. Viamed's product prices are supplied as EXW (Ex-Works) Incoterms 2020. We now offer optional shipping insurance to distributors placing orders. Viamed's standard shipping service is via UPS' standard CPT (Carriage Paid To) delivery Incoterms 2020. This means that the shipment is not covered by insurance for loss or damage once it leaves Viamed's premises over the shipment value of €70.

As part of our distributor review we are now required to have written confirmation whether the goods will be covered by your own insurance or if you wish for insurance to be added to your orders. Upgrading your deliveries to CIP (Carriage and Insurance Paid) by adding an additional insurance premium at 1% of total goods value (minimum charge of €11.50) means that any loss or damage during transit would be covered.

Please complete the attached existing distributor review form and return to us. In the meantime, please can you let me know if you require insurance of €11.50 adding to this order, or if this is not something you require? If so, would that be the case for all future orders?

Kind regards

Sophie Lines

Please note: My working days are Monday, Tuesday and Friday
