Hello Kate,

I do not require any shipping insurance as we have company cover for all shipments in & out.

But thanks for asking.

Good morning Carl,

Thank you for your order.

**I just need to ask you if you require shipping insurance on this order?** We have recently updated the way we do insurance and we would charge £10 for insurance if you choose to accept this.

Please let me know.

Many thanks.

Kind regards

Kate Griffiths

Hi Carl,

It looks like a shipment containing these sensors left the factory today and we are expecting it to arrive on Tuesday of next week.

We should have a couple of hundred units available but it might still be prudent to get an order to us as soon as possible if you need some.

Best Regards,
