Good morning Daniel,

Thank you for your order of 75 x 8010050 and 3 orders for 25 x 8010050.

I have checked with Steve Nixon and unfortunately we will be unable to meet the first delivery date. Even under normal circumstances the lead time is 4 - 6 weeks. There are currently longer lead times due to increased demand.

Please could I also ask if you are happy for me to proceed with the correct price of £65 each when purchasing 25 sensors?

You requested that we invoice for 25 now, and 25 every 2 months after. I am sorry, we are unable to do so, we can only invoice against the deliveries.

I await your reply.

Many thanks.

Good Morning Kate

Attached purchase order, can you please process for me and organise delivery?

Also, not sure if your system can handle this sort of setup, but are you able to invoice us for 25 now, and 25 every 2 months after?
