

23rd March 2022

Dear Supplier,

Effective May 1st 2022, our company names will change as follows:

From "JJS Manufacturing Ltd" to "ESCATEC Mechatronics Ltd"

From "JJS Electronics SRO" to "ESCATEC Mechatronics SRO"

ESCATEC Mechatronics Ltd Registered Company Number 01780413

ESCATEC Mechatronics SRO Registered Company Number 27273717

This change is a result of the recent acquisition of JJS Manufacturing Ltd by Escatec back in May 2021 which will ensure that we have a single recognisable brand in the contract manufacturing marketplace as we achieve our growth plan over the coming years.

We kindly ask you to update your records accordingly and to address all future business correspondence to our new company names.

Other than the company names, all other details and structures of the company as well as current contracts and other agreements remain unchanged. If you have any further questions regarding the change of our name, please feel to contact myself at marc.nash@jjsmanufacturing.com

Thank you for your kind support.

Yours faithfully,

Marc Nash
