Hi,

Thanks, I understand. Put me down for 25 to start and I'll continue to add to this as people agree to take them.

Could you provide dimensions as we feel we could take them without boxes and find an alternative.

Do you also have the manuals and documentations please?

Could you please send one?

Hi Brett

Unfortunately I have more orders than devices at the moment, I am waiting on some tooling to be finished and then some parts to be manufactured, I am really hoping 4-6 weeks.

Best regards
Ryan
