Good afternoon Mary,

Thank you for your email.

The price of part number 0110581 - OOM202 is \$40 each EXW. The alternative is the part number 0110049 - R-49V which costs \$37.75 each EXW. Both of these have very low stock.

**I will send the proforma as soon as I can**, I just need to find out the weights and dimensions for the UPS cost from a colleague.

Please see attached CE certificates.

Kind regards

Kate Griffiths

Viamed is now enacting hybrid working to allow sales and admin staff to work remotely and in the office. Telephone calls to the main office will be answered, but please continue to use email where possible.

**Subject:** Oxygen Sensor Quotation

Dear Zoey,

Good Day,

You are kindly requested to quote us for Oxygen Sensor having the following codes:

R-30V, Quantity 10

R-23V, Quantity 15

Hence please revert us back with the following:

unit price / your codes / description / your photos

And please we want to ask about the compatible oxygen sensor with OOM202 if you have one and its code and price.

And also please we want you to send us all the CE certificates that you have for the sensors.

Thanks in advance.

If you need any further information about it feel free to contact me.

I'm looking forward to your kind reply as soon as possible.

Best regards,
