Hi Alex,

The warehouse has been in touch the orders are nearly ready but they are asking for the name of the courier service you will be using.

I do know your company has its own service but please could you inform of the name of it.

Please see weight and dimensions below if needed:

36 x 36 x 36 cm - 4kg.

I will await your reply as we need this info for the order to be completely processed.

Good morning Karl,

Thank you for your reply. I have noted on your account that you do not require insurance for these or future orders.

You mention that you may want to collect? You can of course do this. Please let me know and I will amend your orders accordingly.

I await your reply.

Dear Procurement,

Thank you for your order. We have recently updated our insurance policy and procedure. Viamed's product prices are supplied as EXW (Ex-Works) Incoterms 2020. We now offer optional shipping insurance to distributors placing orders. Viamed's standard shipping service is via UPS' standard CPT (Carriage Paid To) delivery Incoterms 2020. This means that the shipment is not covered by insurance for loss or damage once it leaves Viamed's premises over the shipment value of £60.

As part of our distributor review we are now required to have written confirmation whether the goods will be covered by your own insurance or if you wish for insurance to be added to your orders. Upgrading your deliveries to CIP (Carriage and Insurance Paid) by adding an additional insurance premium at 1% of total goods value (ex-vat, minimum charge of £10.00) means that any loss or damage during transit would be covered.

Please complete the attached existing distributor review form and return to us. In the meantime, please can you let me know if you require insurance of £10.00 plus VAT adding to this order, or if this is not something you require? If so, would that be the case for all future orders?

Kind regards

Sophie Lines
