Good afternoon,

This order relates to the proforma invoice sent back in March. With regard to the address, since Central Business District (CBD1060) is a new area in Birkirkara, you can calculate the freight using BKR 1633.

Hope this helps! 😊

Kind regards

Good afternoon,

Thank you for your order paperwork - please can you let me know whether this order relates to the attached Proforma Invoice which we sent back in March, or if this order is required in addition to this?

The attached Proforma is currently *incomplete* as we have not been able to calculate a shipping cost via our normal courier UPS, as they are unable to locate your zip code on their website - do you have any other zip codes available, or do you have your own courier account at all?

I look forward to hearing from you.

Kind regards

Sophie Lines
