Good afternoon Karen, please accept my reply on behalf of Sophie. We would be able to part ship **2 x R-17A** with the 5 x R-22A.

Please let me know if this is acceptable to you.

Many thanks.

Kind regards

Subject: Viamed - R-22A Oxygen Sensors

Hi Shaun,

We spoke earlier this morning regarding an order for 50x R-22A Oxygen Sensors and 10x R-17A Oxygen Sensors.

I have spoken to our warehouse, and can confirm we would be able to release 5x R-22A units should your requirement be very urgent. There would be a carriage charge of £12.00 on this part shipment, and again when the remainder of sensors are dispatched - which we hope will be in approximately 4-6 weeks.

Please let me know if you would like me to proceed with the part shipment of 5 units?

Kind regards

Sophie Lines
