Dear Kate Griffiths,

Thank you for your reply.

Please send me PI for the Oxygen sensors and ship with V1000 together.

Best regards

CM Hor

Subject: Re: Fetal heart simulator V1000 due for calibration

Good morning,

Thank you for your email.

We are unable to add these items to a repair order, **but we can arrange for them to be shipped together?** I would need to do this before payment is made for MVM143158.

Both items are currently in stock. Would you like another proforma invoice?

Kind regards

Kate Griffiths

Viamed is now enacting hybrid working to allow sales and admin staff to work remotely and in the office. Telephone calls to the main office will be answered, but please continue to use email where possible.

Dear Kate Griffiths,

Thank you for the shipping information and PI.

If I were to add the following items in the PI, please advise the lead time :-

1. Oxygen sensor R-17V x 4 pcs
2. Oxygen sensor R-30V x 4 pcs
