Hi Anabela, is it a proforma invoice for 1 x 0110019 or 0110018?

Thank you

Kind regards

Kate Griffiths

Viamed is now enacting hybrid working to allow sales and admin staff to work remotely and in the office. Telephone calls to the main office will be answered, but please continue to use email where possible.

Good afternoon Anabela,

Thank you for your enquiry.

We currently have **no stock available of part number 0110019 - R-17Vi**. The lead time would be approximately 8-10 weeks.

We have an alternative sensor in stock, part number 0110018 - R-17V. Please see attached a technical specification sheet.

The price breaks for both part numbers - 0110018 and 0110019 **are the same**, are as follows:

1 = € 56.00	2 = € 50.40 each EXW	3-10 = € 47.60 each EXW	11 or more = € 44.80 each EXW
-------------	----------------------	-------------------------	-------------------------------

Please let me know if I can be of any further assistance.

Kind regards

Kate Griffiths
