Good morning,

Thank you for your reply. An email was sent out through a 3rd party system informing customers of the pricing increase. We apologise if you not receive this. Pricing was updated as of 6th February 2023 and we are currently improving our pricing update system so notifications should not be missed.

Kind regards

Dear Sophie,

Could you please check the price of R-22MED?

Earlier we usually got them for 30 EUR/ pc, and we cannot find any price notification.

I look forward to your feedback, thank you in advance.
