

Antimicrobial Technologies ...delivering a safer environment

World class technologies leading
the fight against pathogens

VIAMED

and

TECCare®

What is TECcare?

- Safe and highly efficacious
- High level cleaning and disinfection system
- Meets the strictest global test protocols
- Eliminates odours and protects treated surfaces from re-colonisation for up to 4 weeks*
- Does not contain alcohol

*TECcare Control

and

There are three types of **TECCare**[®]

TECCare[®]
CONTROL

- Equipment and Surfaces

TECCare[®]
PROTECT

- Hands and Skin

TECCare[®]
ULTRA

- Deep Cleaning Process and
total decontamination of rooms

VIAMED

and

TECCare[®]

Creates a “**non-stick**”
hostile environment on
dry hard/soft surfaces that
inhibits microbial adhesion,
growth and future
colonisation for **up to 4
weeks after application**
without any detrimental
effect to the treated
material.

TECCare[®]
CONTROL

VIAMED

and

TECCare[®]

For use on:

- **Surfaces**
- **Equipment**

When long term protection is required, conditions surface without leaving a dangerous residue providing up to 4 weeks antimicrobial protection.

**>6 log reduction
(>99.9999%)**

TECCare[®]
CONTROL

VIAMED

and

TECCare[®]

Available in..

- **Trigger Spray 750ml**
Single spray
Box of 6 sprays
- **Sanitising Surface Wipes**
Standard size 200 x 200mm
Single tub of 200
10 x tub of 200

Large size 250 x 280mm
Single tub of 225
10 x tub of 225
- **Textured Surface Wipes 200 x 250mm**
Single tub of 200
4 x tub of 200
- **Fluid Concentrate 5 Litres** Makes up to 417 litres of ready-for-use

and

High level broad spectrum disinfectant **foaming hand sanitiser** that continues to protect hands from microbial colonisation for **up to 2 hours after use.**

TECCare[®]
PROTECT

For use on:

- **Hands**
- **Skin**

>4 log reduction
(>99.99%)

VIAMED

and

TECCare[®]

Available in..

- **Hand Sanitiser 50ml**

Single foamer

Box of 10 foamers

- **Hand Sanitiser 600ml**

Single foamer

Box of 10 foamers

VIAMED

and

TECCare®

“True” sporicidal, an ultra high level disinfectant/ environmental sterilant that achieves **total elimination** of micro-organisms on dry surfaces without endangering health or damaging surfaces.

Leaves no residue and protects against spores for up to 48 hours.

TECCare[®]
ULTRA

VIAMED

and

TECCare[®]

Uses:

- **Part of “Deep Clean” process**
- **Total decontamination of rooms**

Safely kills/destroys all pathogens. For continued anti-microbial protection use TECcare Control disinfectant/cleaning products.

>7 log reduction (>99.99999%)

TECcare®
ULTRA

VIAMED

and

TECcare®

TECCare[®] ULTRA

Available in..

- **Concentrate 4 Litres**
Makes 133 litres of ready-for-use
Supplied in a 5 litre container

VIAMED

and

TECCare[®]

Full list of the **bactericidal**,
viricidal, **fungicidal** or
sporostatic performance
with TECcare is available
on request

VIAMED

and

TECCare[®]

Description	Size	Box Quantity	Part Number
Trigger Spray	750ml	Single spray	9950460
		Box of 6 Sprays	9950461
Sanitising Surface Wipes	Standard Size 200 x 200mm	Single tub of 200	9950450
		10 x tub of 200	9950451
	Large Size 250 x 280mm	Single tub of 225	9950452
		10 x tub of 225	9950453
Textured Surface Wipes	200 x 250mm	Single tub of 200	9950454
		4 x tub of 200	9950455
Fluid Concentrate	5 Litres (makes 417 litres of ready-for-use)	5 Litres	9950470
