Dear Raquel,

Thank you for your email, currently our stocks will allow me to supply samples of the following:

- VersaStream Oridion CO2 Airway Adapter Sampling Line Adult/Paediatric, Long-term (high humidity)
- VersaStream Oridion CO2 Airway Adapter Sampling Line Infant (ID < 4.0mm), Long-term (high humidity)

Please be aware these samples are only for evaluation, not clinical use.

Unfortunately, your account is currently on stop as we have outstanding invoices from 2021. Until this is rectified we are unable to send any samples. My sincere apologies for this. If there is anything I can assist you with please let me know.

Kind regards
