Dear Aqib,

There is an unfortunate change. Basically the Biomedical incharge was on vacation and purchase manager and the end user of our customer because of urgency they ordered wrong item.

Biomedical confirmed they need OOM201 or Viamed alternative R-23V. Please send us revised Proforma I will send immediately our revised purchase order.

Regards,

Gilbert

Hello Gilbert

Good afternoon

Sorry for the late reply.

We are currently struggling to find a reference to the HS code you have given us so I not sure if we can use that.

I will attach the documents for you below that you have requested.

Please let know if I can assist with anything else.

Dear Sir,

So we cannot use the HS Code: 90279090 for the shipment.

Otherwise if you will use same triff code in the PI I need your LOA (Letter of Authorization) to sell you product. CE, ISO and DOC certificate copy.

Hello Gilbert

Good morning

The HS code which I gave you was for the **0110560 Oxygen Sensor OOM11**

We currently only have 14 in stock of the 0110014 Oxygen Sensor R-15V but you have requested 16.

Please let me know what you would like to do.

Dear Sir,

First of all you said current is stock as we discussed about the price earlier. But now 4 - 6 weeks.

Also we discussed HS Code which I mentioned 90279090 but in you proforma you mention 9019 which means we need LOA, CE, ISO and DOC documents.

We will book shipment from our side.

Regards,

Gilbert

Hello Gilbert

Good afternoon

Thank you for your patience.

Please see below for your attached proforma invoice detailing the price and product you require including insurance and shipping

costs.

Can you please check if address and invoice details are correct.

I also need to advise you we currently have a lead time of 4-6 weeks for the R-15V to arrive in stock.

If you are happy with the proforma invoice and would like to proceed could you please make payment for the total amount so we can proceed and convert this to a live order.

Please let me know if I can assist with anything else.
