Hi Kate,

I know one of the sensors is out of stock, is it possible to add one more of the 0110081's to the order and have them both sent as soon as possible? Happy to pay for the extra post

Good morning Harry,

Further to my email yesterday, are you happy to accept the correct price of part number 0110081 is £167.10 each? Would you like me to proceed?

I also need to inform you that part number 0110566 has a lead time of approximately 8-10 weeks.

I await your reply.

Many thanks.

Kind regards

Kate Griffiths

Hi Kate,

I hope you are well.

Please find a purchase order attached for one of each type of cell. If anything needs adding to it or amending please do let me know.

Please could you let me know the best way to pay for this aswell?

Kind regards

Good afternoon Liam,

Thank you for your enquiry.

The price breaks are as follows:

0110081 - Oxygen sensor UFO 130-2

1 = £ 167.10	2 = £ 163.00 each	3-10 = £ 163.00 each	11 or more = £ 163.00 each
--------------	-------------------	----------------------	----------------------------

This sensor is currently in stock.

0110566 - Oxygen sensor OOM109-LF2

1 = £ 105.00	2 = £ 99.75 each	3-10= £ 94.50 each	11 or more = £ 89.50 each
--------------	------------------	--------------------	---------------------------

This sensor is a non stock item and would have a lead time, I am unable to supply that just yet.

Carriage is free for medical oxygen sensors and all prices are excluding VAT.

Please could I ask for an email address for your accounts and/or invoicing team? I can then update your credit account.

Many thanks.

Kind regards

Kate Griffiths
