Please can we send a proforma invoice to Ms Trinh Phuong at AN AN Import (CID15101) for 20x R-22AVG and a certificate of origin. I will deal with her other queries.

Thank you  
Ryan

Subject: Re: R-22AV &amp; MLF-19

To: <[ryan.swaine@viamed.co.uk](mailto:ryan.swaine@viamed.co.uk)>

Dear Ryan,

I order 20pcs of R-22AVG. And I need Certificate of Origin also. How is about guarantee time of R-22AVG?  
About MLF-19, it is used for GE carestation 620. You can see picture in attached file. Please check if you can accept to supply for us.

Thank you &amp; Best Regards,

Ms. Trinh Phuong

Dear Ms. Trinh Phuong

Thank you for your email.

The R-22AV and the R-22AVG have the same specification and output, the R-22AV is from Teledyne and the R-22AVG is from Viamed. Unfortunately there have been some delays in supply of Teledyne sensors, so it may be worth promoting the R-22AVG instead of the R-22AV.

R-22AV - pn. 0110132 = USD \$30.90, 25+ = \$27.80 each EXW

R-22AVG - pn. 0110182 = USD \$ 1 = \$ 26.30, 25 = \$ 23.70, 50 = \$ 23.00, 100 = \$ 22.50 each EXW

MLF-19 - pn. 0110705 = USD \$93 each EXW

The MLF-19 is a fairly recent addition to our range and we would like to collate more information on where they are being used. Please can you let me know what equipment it is to be used with?

Thank you and best regards  
Ryan

Dear Ryan,

I have ever asked you about AO2 oxygen sensor of Citicel. You offered us your 2 own versions R-22AV & R-22AVG. What is difference between 2 version?  
Could you help me update price of R-22AV, R-22AVG and MLF-19?
