Re : Quote for manufacture of Viamed Oxycal / Vandagraph Oxycal labels.

Would you please quote on the cost of the labels below, both 1:1 scale.

The Viamed design is mid blue over light grey. The Vandagraph design is moderate green over sunflower yellow. Both have 2 x 3mm diameter holes and slot in centre.

Price breaks of 10, 50 & 100 for each would be helpful.

Both designs drawn in Corel Draw 10 and can be exported in different formats and emailed.

With regards,

S Watmough.
Technical Engineer.
