Hi Mick,

Thank you for your reply - could I just check whether that is a yes to adding the insurance at £27.76? It is completely your choice

Kind regards

Hi Mick,

Thank you for your order - unfortunately, the distributor price is already discounted at £277.60 and cannot be reduced further, however I can confirm we have the units in stock, so can dispatch your order within 1-2 working days.

The shipment is currently on UPS' standard CPT (Carriage Paid To) delivery terms. This means that the shipment is not covered by insurance for loss or damage once it leaves Viamed's premises.

Given the value of this order, would you like to upgrade the delivery to CIP (Carriage and Insurance Paid) by adding an additional insurance premium at 1% of total goods value, i.e. £27.76?

Kind regards

Sophie Lines
