Hi Steve,

I hope you are well and are having a good week so far. We received our order #2974 today, thank you for getting it to us quicker than expected. I was just wondering if you have an eta for our other order #2978 of x100 coax and x100 molex?

Also could I please place an order for x200 Coax and X100 Molex under order #3011? Thanks!

Kind Regards,

*Beth*
