Hello Alan

Good afternoon

The £24.70 price is for the quantity of 25 and over, as you only want 15 of these the price is £26.90 plus the 50p for your V-Tech labels, so this comes to **£27.40 per unit**.

I have also attached our current prices below for you.

Please let me know if I can assist with anything else.

Kind regards

Hi Alan,

Thank you for your order, 6476

Please find attached your Proforma Invoice but I do need to advise you the price will be £26.90 plus £0.50 for your V-Tech labels, so this comes to **£27.40 per unit**.

Unfortunately, due to supply chain issues, we do not currently have this sensor available in stock - we may have some by the end of this month, however due to current back orders that we already have on our system, I am not sure these will stretch to cover your full order.

Further deliveries are currently due at the Late end of July 2023. If you have any questions please do not hesitate to contact us.

Please check if all details on the proforma are correct or if any amendments are required.

Kind regards
