Hi Kate

Yes, I have no problem with it, we just need to re quote in GBP distributor pricing, but there are no bank charges if we receive pounds.

Thank you, Ryan

Hi Ryan,

AZ have asked if they can pay in £ as it will be quicker. Before I ask Helen (she is doing goods out), are you ok with this? It will mean they will have an a/c on i/stats in USD, Euros and £.

Thank you.

Kind regards

Kate Griffiths

Dear kate,

Hope you are doing well.

I received the PI from you, and I am trying to do the transfer, but it gave me that if I want to pay in Pound the transfer will take only 3 days to reach you, and if in USD it will take 8 days to reach you.

For me I am in a bit hurry for the goods, so can I do the transfer in pound or if I did in USD and send you the swift could you start preparing the goods so once you receive the payment you can immediately proceed the shipment.

Kindly get back to me what do you prefer.
