Dear Teodoro

Thank you for your order.

I have looked in to the costs for you:

DHL = GBP £80 (approximate)

Unfortunately we do not have a DHL account with special pricing. However, I have been told that if we send goods to Spain with the Express Saver service instead of Standard, it goes via a different depot and I am told they are better equipped to deal with importation.

We can send the order with UPS Express Saver for £34 or less.

Please let me know how you would like to proceed?

Best regards

Ryan
