Kate,

Apologies for the delay in contacting you again, it was decided that corporate would source a replacement for our MicrostimDB3 TOF items, it went of at a tangent and they purchased Stimuplex items, which is not what we were after.

I have been asked to request from you two quotes for the TOF 3D as per your previous quotes QVM140921 / QVM140950

x2 TOF 3D for Theatres Fitzwilliam Hospital
x1 TOF 3D for Theatres Boston West Hospital

Addresses for both hospitals are as below, please send / reply to all participants in this email to ensure both sites are aware but I am the main Point of Contact at present.

Thanks for all assistance in this matter and once again apologies for the miscommunication.

Kind Regards

Bruce
