Hi Steve,

I hope you are well and have had a good week so far. Could we get an eta update for order #2978?

Also could I place another order under #3020 FOR:

X200 COAX

X100 MOLEX

Kind Regards,

Beth

Hi Beth

I'll give you an update next week regarding #2978, currently working by the end of June. I hope this is still OK for you?

Thanks for the new P.O. #3011.

Steve

Hi Steve,

I hope you are well and are having a good week so far. We received our order #2974 today, thank you for getting it to us quicker than expected. I was just wondering if you have an eta for our other order #2978 of x100 coax and x100 molex?

Also could I please place an order for x200 Coax and X100 Molex under order #3011? Thanks!

Kind Regards,

Beth
