Hi Ryan,

We need this order very urgently. Customer coming to collect the sensors this Wednesday.

Please proceed to ship out using your courier and charge to Dave's credit card as per usual. With or without the add-on R-17VAN sensors is okay.

Looking forward to hearing from you.

Thank you.

Hi Ryan,

Very sorry, can we trouble you to add in 2 pcs of the R-17VAN sensor to this shipment please?

Please assist to remove the delivery charge on the invoice as we will have to use our own shipping account.

After that please let me know the updated dimensions and weight of the parcel if there is any changes.

Thank you so much.
