Hi Ryan,

i would like to order

1x Mysign O Kit (includes power supply and rechargeable battery) = £350 (rrp £395)

2x R-17VAN

5x R-22AT

Payment by credit card. Shipping with UPS.

Could you please tell me the lead time for the Envitec Mysign?

Gruß,

Hi Ryan,

thank you for the fast reply.

Could you please tell me the prices (retail and trade) for the alternative Analyser?

Hi Christian

Unfortunately the MD300 is no longer manufactured and Teledyne did not replace it. We can supply the Envitec Mysign O or Maxtec MAXO2 ME if you require an analyser with adjustable high and low alarms?

Best regards
Ryan

Dear Ryan,

i have an enquiry for an Teledyne MD300.

Can you still deliver this analyser type?

What would be the price and delivery time?
