Hi Kate,

Sorry for the delay, please find our PO attached to proceed with the order.

Would you be able to estimate a leadtime when you can?

Thanks,

Good morning Niall,

I hope you are well.

We have received your email via Maxtec, I believe you are interested in purchasing 20 x 0111265 - UltraMaxO2 oxygen analyser. The price is £598 each, plus £12 carriage, plus VAT. This item would have a lead time.

If you require a proforma invoice, I would need your delivery and invoice addresses and VAT number in order to set up a new account for you.

Please see attached price list.

Please let me know if I can be of any further assistance.

Many thanks.

Kind regards

Kate Griffiths
