Good afternoon Sinsa,

Thank you very much for your email order.

R-33D1 has been replaced by the R-33S1. So I have added this to the other two sensors.

We have priced for Tracked and Signed Service. If you would like to increase the service to UPS the cost will be £50.00.

Please find attached your pro-forma invoice MAN128366 for your approval and payment.

Please check that all the details are correct including delivery address.

Our payment details are on the invoice or if you prefer you can call Ryan on 07803907117 and provide credit card details.

Once payment is received, we can then ship your order.

Kind regards
