Dear Ryan.

It will be convenient for our accounting purposes to pay one total invoice including the duties.

Please issue an invoice with duties included when you ship the goods and inform your accounts director that we will pay immediately.

Since it is your first time shipping DDP, someone at VIAMED has to monitor this procedure closely.

Hoping to have the goods here before July's end.

Regards

Nick

Hi Nick

Your account is set up as prepayment by proforma. If it is going to be a problem, I can speak with our accounts director.

Best regards

Ryan

Dear Kate and Ryan.

Please inform, whether the terms of payment are on delivery, or prepayment.
On delivery will enable us to add to our payment of the invoice together with the duties payable on DDP.

Also please inform us of the delivery date.

Best Regards
Nick

Hi Nick

Thank you very much for your order, please find your amended proforma invoice attached.

As I mentioned before, we do not normally offer to pay the duty, so this will be experimental and I will then have to invoice you separately for the duty after we receive our invoice from UPS.

Best regards
Ryan
