Sorry Jan, we are still trying to catch up, from August we should be back to normal service.

200 Balance of the June shipment - worst case 21st July - working on bringing it forward.

600 July shipment - worst case 21st July - working on bringing it forward, either complete or as part shipments

400 August - On schedule

600 September - On schedule

After September I don't have any more orders from you, but to be safe I have scheduled a minimum of 200 sensors:

200 October - On schedule

200 November - On schedule

200 December - On schedule

Regards

Steve

Hi Steve.

The sensors you send us are gone out to customers.

when are you sending more to us.

Kind regards

Hi Jan

We are still a little bit behind with the sensors. Is it OK with you if we part ship 400 on Monday?
