Subject: Expiration of Teledyne Analytical MDD Certificate CE 02000" Expired on
July 08, 2023

Dear Mr. Steve Nixon.

Teledyne Analytical MDD Certificate "CE 02000" will be expiring on **July 08, 2023**.
MDD To MDR Transition Process has been initiated and the initial application has been
approved by INTERTEK's Technical team. We are expecting to receive an extension
letter by next week.

For any additional questions related to this matter, please feel free to contact us at
626-934-1573.

Sincerely,

Mohammad Khan
Quality Assurance Manager
