Hi Ryan,

Thank you for getting in contact; it was great meeting you last week.

My colleague, @Bianca Lassaponari currently has a project open that you may be able to assist with.

We have a request from our client, and we would like to request a quote for 100 Oxygen Analyzer, Electrochem, handheld (formal request attached).

**The attached presents 3 separated sheets:**

- Tab named "*commercial*" is the sheet to be completed by the supplier;
- Tab named "*analyzer, electrochem*" contains the **product specifications** required by our customer;
- Tab "*info required*" contains the **manufacturer information** required by our customer;

If you have any questions on this request, please ask either Bianca or me.

Kind regards,

George Prosser | Unimed

Dear George

Thank you for taking the time to talk to us last week, it was a pleasure to meet you.

Further to our conversation I wanted to find out more information about how we may be able to access the tenders you are involved with.

I look forward to hearing from you and please do not hesitate to contact me if you have any questions.

Kind regards

Ryan
