Dear Kate,

Good morning, I hope you are doing well.

Following Mr. Cortessis mail below:

- Please find attached our new order no. 2891 (it's about the 10 pcs of 0014753), which is to be sent together with the others. As always, I'll wait for your order confirmation.
- Please verify the cancelation of 7 x 0110017 from order no. 2870.
- Please prepare and send everything you have in stock, including the 20 x 0012167. For typical reasons we'll consider the 20 x 0012167 to cover the following orders: 2870 (5 x 0012167), 2862 (14 x 0012167) and 2827 (1 x 0012167). Once we receive the goods and

register them, I will write to you again what is missing in detail. (There are many order pending so it helps me to write everything in detail in order to avoid mistakes 😊)

- About item R-17V, we already have the Specification Datasheet that you sent, could you please also send the EC certificate and Declaration of Conformity for this item?

Looking forward to your reply, thank you very much.

Please be advised that our new company details are as follows:

Hi Ryan,

Thanks for letting me know.

1. Please send everything you have in stock including the 20 pcs of VM-2160 (0012167).

Additionally we need 10 pcs of 0014753 (SpO2 Silicone Peadiatric Sensor 1,2m Length). Tomorrow you will receive the relative order. Please confirm for the availability too.

2. What about the delivery for the rest of VM-2160 (0012167). No time left! It has to do with our contracts. Please let me know the progress.

3. You have also to cancel the order for R-17MED (0110017), until you receive the extension letter for EC Certificate. I will examine the possibility order you the R-17V in the future.

Until then please send us the EC Certificate and the Declaration of Conformity of this item.

Hi Diamond

I apologise I was not in contact yesterday, I was called away from my office.

All of the items you have ordered are available from stock, the only exception is the VM-2160 (0012167), we only have 20x of these available.

With regards to the R-17MED (0110017), we have stock, but the CE certificate has expired and we are currently waiting for an extension letter from Teledyne's new notified body.

You may wish to change your order to the R-17V? This model is compatible with the R17MED, more economical, has up to date certification and is also available from stock:

R-17V - 0110018 = EUR €26 each EXW

Best regards

Ryan
