Subject: Re: Invoice

Dear Marko

Thank you very much for your email.

We do not stock the sensors you have listed, as we supply our own versions, as below. If you need the original Honeywell version, we can look at obtaining a price for you.

OOA101

R-22AVG - pn. 0110182 =

1 = € 23.90 each EXW

25 = € 21.55 each EXW

50 = € 20.35 each EXW

100 = € 19.75 each EXW

Prices in EUR

OOA101-1B - I am not familiar with this model, but it could be a typo, I am familiar with the OOA101-1V

R-17AVG - pn. 0110177

1 = € 26.50 each EXW

25 = € 23.85 each EXW

50 = € 22.55 each EXW

100 = € 21.90 each EXW

Prices in EUR

As you are probably aware, we still offer the Teledyne versions, but they are more expensive.

Please let me know if you would be happy to accept our sensors? If so, I will send you a proforma invoice including the delivery costs.

I look forward to hearing from you.

Kind regards

Ryan
