Hi Kafeel,

Thank you for your reply. Whilst we are able to *supply* goods to Saudi Arabia, our usual courier unfortunately does not appear to ship to your area so I am unfortunately not able to quote you any shipping costs. However, you can arrange your own courier to collect from us. Would this be an option for you?

If so, please let me know how many units you are looking to purchase, and I can send you an official quotation, showing EXW shipping terms.

Kind regards
